Consider Making a Year-End Gift to St. Mark Catholic Church

As the end of the year approaches, we begin to reflect upon the many blessings bestowed upon us. The end of the year also provides a great opportunity to thank God for these blessings by gifting to St. Mark Parish. The benefits of income tax deductions, capital gains savings and other financial benefits are significant advantages that provide an incentive to make a gift at the year-end. A gift can also help support St. Mark Catholic Church and St. Mark Catholic School for years to come.

There are many different ways of contributing a gift. However, two of the easiest and most direct methods to gift are donations of cash and appreciated stock or other investments. You can also make other financially advantageous gifts such as real estate, life insurance, charitable remainder trusts, gift annuities, will/trust bequests and IRA/retirement accounts. When you think about your blessing, please consider those blessing and gifts you have received in your life and how you can share them with one another. For more information on how you can help make a difference by contributing a year-end gift to St. Mark, please contact Rick Rader our parish business manager at rrader@stmarkindy.org. We are grateful to the families who have already tithe and gifted stock this year.
