Roll Call (Dorothy) – Present: Father Todd, Deacon Tom, Dorothy Glass, Donna Kern, Lee Ann Briggeman, Nathan Campbell, Jesse Cleary, Bill Sherman, Don Toll, & Marty Meyer (Finance Comm)

Finance Commission – Marty Meyer and Father presented a summary of the budget which has been presented and approved to the Archdiocese. It is balanced and the Parish is in good shape financially. Higher enrollment at the school plays a role in this. Approximately 80% of the Parish budget is established through assessments from the Archdiocese. A recalculation of the amount SMCC is assessed for secondary education in the diocese had little impact upon St. Mark.

They also presented on the campaign to raise funds for the roof, windows and flood damage. Currently pledges are about 65% of the goal.

Orientation for New Members – Father, Dorothy, Donna and Don presented information to the new members regarding some of their duties and responsibilities as well as the role of the Pastoral Council.

Hopes and Dreams for Parish – Father asked Pastoral Council members to list some of their Hopes and Dreams for the Parish.

Discernment of Officers – Officers roles and members' strengths were discussed and the following officer roles were discerned. Dorothy Glass will continue as Chair, Donna Kern will continue as Vice-Chair and Nathan Campbell will assume the duties of Secretary.

Closing Prayer - Don
